"If you're a teacher of Sunday school you are helping others to understand God"

"It is a happy place and I hope more people join. It's really more than Awesome."

We are looking for 8 additional teachers and assistants to join our team of Church School teachers.

When and Where Church School Meets:

During this time of online Church School we have two classes (3-8 and 9+) who gather on Google Meets from 10:00-10:45 each Sunday.

When we resume in-person class at Church we will return to three classes (3-5; 6-8; 9+ until confirmation class).

Responsibilities and Expectations:

- Teach and/or assist for one school year (not during school holidays)
- Join a class team and sign up to rotate (with a full team per class, you can expect to teach/assist about 1 in 3 Sundays each term).
- Prepare lessons for a class of 5-10 children using our curriculum materials. Expect one hour of preparation for a 45 minute class.
- Each adult will need to obtain child safety clearance which includes a video training and a police report.

Support you will receive:

- Access to our professional online curriculum, resources and lesson plans for each week, that you may adapt
- An introductory training with Chad & Natalie and other teachers to orient you to the curriculum and lectionary, provide pedagogical pointers for faith formation, and online tools and techniques
- Ongoing support from a great team of teachers & assistants
