

**Doers of the Word –
Opportunities to Volunteer in Our Church this Season**

Our congregation's ministry is possible through members' offerings of time, talents, and money. Over the coming weeks, the Congregation Council is going to be highlighting a few specific opportunities to get involved and volunteer your time and talents.

This week's featured opportunity is joining the fellowship team.

Fellowship Team

Some background

Our congregation is a home-away-from-home for many—a community of connection and support while we are here in Geneva. Opportunities to enjoy one another's company and deepen relationships are precious in this city with so many welcomes and farewells.

What will the team do?

The fellowship team will plan and organize at least 4 social events between now and July 2022 for members of our congregation and guests. These events might take place at the church, in public spaces, or in members' homes (of course in line with current health and safety guidelines) and could take on a variety of different characters—from large community-wide events, to smaller gatherings in or across neighborhood groups.

How long is the term of service?

Team members will serve for the academic year—from this autumn through June.

How many people are needed?

We're looking for 5-8 people for this team. A member of the Congregation Council will be part of the team to provide support and guidance.

How can I sign up to serve?

In mid-October, all members will be invited to indicate how we can offer our time and talents in the coming year—you can sign up then.

Please think about whether you might be part of this team in the coming year!
