Outreach Team

Some background

Geneva is a crossroads city, and inviting and welcoming newcomers is a wonderful and essential part of our congregation's ministry. As in-person gatherings are now more possible, we are looking for a team of church members who are motivated to help make our congregation known within the wider Geneva area, with a particular focus on the international community.

What will the team do?

- Come up with creative ways to increase the visibility of our congregation in the city of Geneva;
- Explore ways to invite newcomers to the church, including through personal relationships and connections of existing church members;
- Based on these deliberations, develop 2-3 concrete projects to increase visibility, invite and connect with newcomers.

How long is the term of service?

Team members will serve for the academic year—from this autumn through June. The autumn is for initial brainstorming and planning, with the projects to be implemented in the spring.

How many people are needed?

We're looking for 6-9 people for this team. A member of the Congregation Council will be part of the team to provide support and guidance.

How can I sign up to serve?

In mid-October, all members will be invited to indicate how we can offer our time and talents in the coming year—you can sign up then.

Please think about whether you might be part of this team in the coming year!
